

FLOATING LIFT STATION DEGREASER

CAUTIONARY INFORMATION:

Harmful or fatal if swallowed. Keep away from heat or open flame. Use with adequate ventilation. Avoid prolonged contact with skin. Keep out of reach of children.

FIRST AID:

External: Flush with water.

Internal: Do not induce vomiting. Call a physician immediately.

Eyes: Flush with plenty of cool water for a least 15 minutes. If irritation persists, obtain medical attention.

FOR PROFESSIONAL, COMMERCIAL,
INSTITUTIONAL AND INDUSTRIAL USE ONLY

This floating lift station degreaser uses the natural cleaning power of Limonene from orange peel extract. The powerful solvent cleaner strips away heavy grease accumulations from walls and pumps, and quickly dissolves grease balls. It deodorizes as it cleans, and leaves the clean scent of fresh oranges.

The special floating formula washes down the sides of the lift station as the water level rises and falls. The all-natural ingredients work quickly and effectively, without environmental hazards or disruption of biological treatment processes.

DIRECTIONS:

Use approximately 1/2 gallon for each square foot of water surface. This special non-emulsifiable formula floats on the surface for continuous cleaning action.

Recommendations for the use of this product are based on reliable tests. No guarantee of results are implied where conditions are beyond our control. Under no circumstances or conditions, either expressed or implied, will the manufacturer be liable for damages in excess of the purchase price of this product.
