

CAUTIONARY INFORMATION

KEEP OUT OF REACH OF CHILDREN

For Commercial, Industrial and Institutional Use Only.

Harmful if swallowed. May irritate eyes and skin. Do not take internally. Avoid contact with eyes and prolonged contact with skin.

FIRST AID:

EYES: Immediately flush eyes with water for at least 15 minutes, lifting eyelids to thoroughly flush. If redness or irritation persists, get prompt medical attention.

SKIN: Immediately flush affected area with water for at least 15 minutes. If burn occurs, seek immediate medical attention.

INGESTION: If large amounts are ingested (greater than tablespoonful), drink large quantities of milk or water. Follow with Milk of Magnesia, beaten eggs or vegetable oil. Do not induce vomiting. Contact physician immediately.

FLOATING LIFT STATION DEGREASER

This Floating Lift Station Degreaser is a powerful solvent which strips away heavy grease accumulations from walls and pumps and quickly dissolves grease balls. This special formula washes down the sides of the lift station as the water level rises and falls. This formulation works quickly and effectively.

DIRECTIONS

For use in stations:

4 to 8 feet in diameter:

Use approximately 3 pounds on initial purge and 2 pounds every 45 days thereafter.

8 to 12 feet in diameter:

Use approximately 4 pounds on initial purge and 3 pounds every 45 days thereafter.
